

Janner Medical Foundation

Honoring Tanner Babies

The first tiny footprint recorded after a newborn's birth is priceless. That's what makes Tanner's First Impressions program so special. With a donation of \$150, families and friends may commemorate a Tanner baby's birth with a silver footprint medallion, which is placed in the First Impressions Gallery at the W. Steve Worthy Maternity Center at Tanner Medical Center/Carrollton or the Maternity Center at Tanner Medical Center/Villa Rica. The donor also receives his or her choice of either a silver medallion or a glass ornament with the baby's footprint and birth date imprinted.

From parents to grandparents to aunts, uncles and employers, the First Impressions program has become a popular gift-giving idea to honor Tanner babies. There are now more than 100 footprint medallions mounted on the wall in the nursery viewing area at TMC/Carrollton. With the opening of the new TMC/Villa Rica in October 2003, the First Impressions Gallery was placed on the wall next to the nursery viewing area.

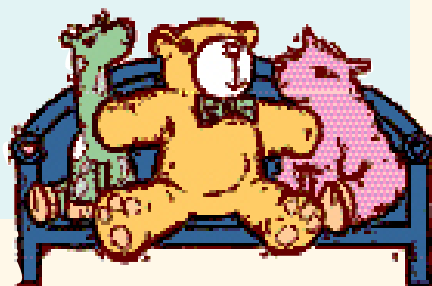

First Impressions footprint gallery at Tanner Medical Center/Villa Rica.

In 2004, 1,140 babies were born in the W. Steve Worthy Maternity Center at TMC/Carrollton. Another 267 babies were born at the new TMC/Villa Rica Maternity Center. These babies represent the future of our families and our community. And the First Impressions program provides a wonderful way to welcome them to the world!

Should you wish to honor a special baby by ordering a footprint medallion, please call the Foundation office at **770.836.9871**.

Kyle and Jennifer Taylor, pictured with their newborn son, Ryan, watch the patient education channel in their room at the W. Steve Worthy Maternity Center. A "Women's Education" channel for Maternity Center patients is funded through gifts made to Tanner's First Impressions footprint program. Educational videos regarding infant care, breastfeeding and maternal self-care issues play in a continuous loop on the channel.

Grants to Help Fund Tanner Specialty Center for Diabetes, Hypertension and Wellness

Being well is where we all want to be, and everything we do should be aimed at getting us there. The Foundation supports Tanner's efforts to promote wellness by providing healthcare education and clinics in the community through Tanner's Specialty Center for Diabetes, Hypertension and Wellness.

Two federal grants received recently will allow for an expansion of the current diabetes/hypertension program and the implementation of an asthma and Chronic Obstructive Pulmonary Disease (COPD) program for the uninsured and underinsured in the Tanner Health System service area.

We often hear from patients at Tanner clinics that they would not otherwise receive care for their chronic diseases. When we are raising funds to establish and operate clinics for diabetes, hypertension and asthma care, we have in mind the faces of those patients. We see the face of a man who has lived with diabetes his entire life. We see the face of a child who suffers from asthma. And we see the face of a high school student who discovered his mother's hypertension through our "Symptom Seekers" program.

We're proud to say Foundation donors have helped make these important programs possible. If you have an interest in supporting Tanner Specialty Center for Diabetes, Hypertension and Wellness, please call Tanner Medical Foundation at **770.836.9871**.

"Golfing for the Cure" Tournament

Benefits TMC/Villa Rica Women's Center

Seventeen teams participated in the third annual "Golfing for the Cure" tournament at Canongate Golf Club at Mirror Lake. More than \$7,800 was raised through the tournament to establish the Beverly A. Dunbar Fund at Tanner Medical Foundation. The fund has been established to provide mammograms at the Tanner Medical Center/Villa Rica Women's Center for patients who are uninsured or cannot afford an annual mammogram screening.

According to Tiffany Gadd, a Mirror Lake resident who is the tournament's founder, the first two "Golfing for the Cure" events benefited statewide and metro-wide breast cancer initiatives. "We've decided that we would like for the funds we raise to stay in the local community and to benefit women here in our area who might not otherwise be getting a mammogram," Gadd says.

Representatives from the "Golfing for the Cure" 2004 tournament present a check for more than \$7,800 to establish the Beverly A. Dunbar Fund for the TMC/Villa Rica Women's Center. Pictured from left are: Kevin Gadd; Janet Busch, director of the TMC/Villa Rica Women's Center; Peggy Smith; and Larry Steed, administrator of Tanner Medical Center/Villa Rica.

The tournament will now raise funds for the TMC/Villa Rica Women's Center each year. Mirror Lake residents Wynette Dato, Peggy Smith, Sara Thornton and Cynnamen Wessels assisted Gadd on the tournament committee.

"Support from the community has been amazing," Gadd says. "Each year the tournament has grown. In addition to raising money, we're also raising awareness, which is so important; breast cancer is a disease that can affect any woman—a mother, a sister, an aunt, a co-worker, a friend, a neighbor."

The tournament was held in memory of Beverly Ann Dunbar, Jeanette Hill and Eva Wilson-Bradford, all of whom lost their lives to breast cancer.

To learn more about the Beverly A. Dunbar Fund or other giving opportunities, please call Tanner Medical Foundation at 770.836.9871.

Local Retailers Donate a Portion of Sales to Tanner Women's Centers

The owners of two retail shops in the Tanner Health System service area supported Tanner's Women's Centers and helped promote Breast Cancer Awareness Month during October.

Katie Kilgore, owner of The Little Black Dress, located at 120 West Montgomery St. in Villa Rica, and Leslie Langley, owner of The French Hen, located at 103 W. College St. in Bowdon, donated 10 percent of the sales of any pink item purchased during October to Tanner Medical Foundation. Their donations were designated for Tanner Women's Centers in Villa Rica and Carrollton.

For more information about how you can help promote breast health or another area of healthcare, please contact Tanner Medical Foundation at 770.836.9871.

Pictured at her Villa Rica boutique is Katie Kilgore, owner of The Little Black Dress. During the month of October, which is "Breast Cancer Awareness Month," Kilgore donated 10 percent of the sales of any pink item purchased in her store to Tanner Medical Foundation. Her donation was designated for Tanner Women's Center in Villa Rica.

DONORS Fourth Qu

Tanner Health System and Tanner Medical Foundation greatly appreciate the many generous gifts from our friends. Contributions to the Foundation benefit our community by providing a variety of capital improvements, programs and services. We gratefully acknowledge the following contributions received during the fourth quarter of 2004. For more information on giving opportunities, please contact Tanner Medical Foundation at **770.836.9871**.

Tanner Employees Give Generously to Heartbeat Program

Since its inception in 1993, Tanner employees have supported Heartbeat, Tanner's employee-giving program, through donations. The Heartbeat program has assisted hundreds of employees during times of crisis, and also has funded many worthwhile programs and projects benefiting Tanner patients and employees.

Half of each employee's donation goes to the Heartbeat Humanitarian Fund to assist employees. For the second half of his or her donation, each employee chooses from the following three funds: Indigent Care Fund, Cancer Care Fund or General Program Fund.

Local Artists and Businesses Support 2005 Magnolia Ball Auction

Chaired by Meghan Sullivan and Diane McConahy, members of the 2005 Magnolia Ball Auction Donations Committee have been busy planning the live auction and silent auction for the May 14th black-tie event, which has been themed "A Midsummer Night's Dream." Proceeds from this year's gala for 670 guests will provide the fourth year of a five-year fundraising commitment to expand cardiology services at Tanner Medical Center/Carrollton.

More than 200 volunteers from the community work each spring to stage the event by creatively producing everything from invitations to decorations. The donations committee has worked diligently to secure a great selection of auction packages from more than 250 individuals and companies.

Local artists and businesses have been supportive of the annual Magnolia Ball, and this year is no exception. With a

Pictured at Tanner Medical Foundation with several unique items donated for the Magnolia Ball auction are Diane McConahy (left) and Meghan Sullivan, auction vice chairs.

wide range of auction donations, from original artwork to travel packages and home décor, west Georgia businesses and individuals have shown tremendous support for the annual fundraising effort. For many businesses, auction donations offer an opportunity to showcase a new product or service their company is offering.

With more than 200 auction packages expected, the 2005 auction is expected to be a great fundraising success again this year. Any business owners or individuals interested in making an auction donation to the Magnolia Ball are encouraged to call Tanner Medical Foundation at **770.836.9871**.

Recognize a Loved One through a Tribute Gift

A tribute gift to Tanner Medical Foundation is a special way of recognizing a loved one, close friend, doctor, nurse or associate.

You may use the provided envelope to make a contribution for the following occasions:

- In memory of someone who touched your life in a special way
- To send get-well wishes for a speedy recovery to someone who is ill
- To honor a birthday, anniversary, birth of a baby or other special occasion
- As an expression of gratitude for care received at Tanner

Each gift is acknowledged by a distinctive card sent to the person, or to the family of the person, in whose name the gift was made. This card does not include the amount of the gift. The donor will receive a separate acknowledgement and receipt for their own use. Tribute gifts will also be listed in *Healthy Living* magazine.

For more information about making a tribute gift, please call Tanner Medical Foundation at **770.836.9871**.
