People require orthopedic care for a variety of reasons, from mending broken bones to replacing painful joints. Access to high-quality orthopedic care can make a direct impact in a person's quality of life, making it possible to do the things he or she wants to do, be it a hike on the Appalachian Trail or a trek to and from the mail box.

Whatever the level of care needed, it can be found at Tanner Health System. With a nationally recognized orthopedic program and the services of the skilled specialists with Carrollton Orthopaedic Clinic, Tanner is a close, convenient and confident choice for quality orthopedic services.

Orthopedic Care at Tanner

For more than 60 years Tanner Health System has demonstrated its commitment to providing quality healthcare services to residents in west Georgia and east Alabama.

Tanner Orthopedic Services addresses a wide range of orthopedic conditions, proving to patients and their families that they don't have to leave their community to access the best in medical care. From the surgical procedures to the hospital stay and follow-up care, Tanner Health System offers a full complement of services to meet the needs of orthopedic patients and their families.

Major procedures performed by orthopedic surgeons at Tanner Health System include:

- Total joint replacement
- Sports medicine/arthroscopic surgery
- Shoulder surgery
- Foot and ankle surgery
- Spine surgery

Tanner's Orthopedic Partner

The orthopedic surgeons providing services to patients at Tanner are leaders in the diagnosis and treatment of musculoskeletal injuries and disorders. This dedicated team of surgeons works

in coordination with Tanner's medical and allied health professionals, combining advanced medical technology with medical skill and expertise to deliver the best in orthopedic care.

Carrollton Orthopaedic Clinic is the exclusive orthopedic services provider for Tanner Health System.

Carrollton Orthopaedic Clinic has an excellent reputation in providing quality care to patients of all ages, providing general orthopaedic care for sprains, fractures, torn ligaments, muscle strains, back pain or any musculoskeletal problem.

The practice has continued to expand its staff to provide the knowledge and expertise in subspecialties to better serve patients. Some of Carrollton Orthopaedic Clinic's physicians have acquired specific training in their subspecialties — such as spine care and sports medicine — at state-of-the-art medical facilities in addition to their general orthopaedic training.

No. 1 in Georgia

HEALTHGRADES®

Leading independent research firm HealthGrades named Tanner Medical Center/Carrollton No. 1 in Georgia for overall orthopedic services for three consecutive years—2010, 2011 and 2012. The firm also listed the hospital among the top 5 percent in the nation for overall orthopedic services and in the top 10 percent in the nation for joint replacement for 2012.

The same level of care—provided by the same team of orthopedic specialists—is also available at Tanner Medical Center/Villa Rica and Higgins General Hospital in Bremen.

For a wide range of orthopedic services, Tanner has the best care in the nation available right down the street.
