the Colon of the C

Efharisto! (Thank you!)

To all of the volunteers who dedicated their time and extraordinary talents to the 23rd Annual Magnolia Ball, we say Efharisto! (Thank you!)

Thanks to you, "Apodrasi se Santorini" (Escape to Santorini) was an inspiring success! The generous commitment of time, financial resources, goods and services by so many in our community ensured the Magnolia Ball raised almost \$500,000 to benefit a new Comprehensive Inpatient Rehabilitation Unit at Tanner Medical Center/Carrollton.

For 23 years, proceeds from the Magnolia Ball have helped provide funding for the latest technology and equipment along with new facilities and programs that bring the best of healthcare to this region. This would not be possible without you. Thank you!

Proceeds from the 2013 Magnolia Ball will benefit a new Comprehensive Inpatient Rehabilitation Unit at Tanner Medical Center/Carrollton, which will guide patients on their journey back from stroke, brain and spinal cord injuries, and other conditions requiring them to re-learn how to perform everyday tasks. Close access to rehabilitation services makes it easier for families to visit often and provide moral support, participate in the rehabilitation and help patients return to their normal lives.
