Applying Online Quick-Start Guide

Tanner provides an atmosphere of superior quality health care and innovation, with a focus on team building and a commitment to the professional development of our employees. With the team of professionals that Tanner has assembled, it is no wonder that Tanner ranked first in healthcare organizations and second in the large corporate category in the Best Places To Work survey conducted by the *Atlanta Business Chronicle*.

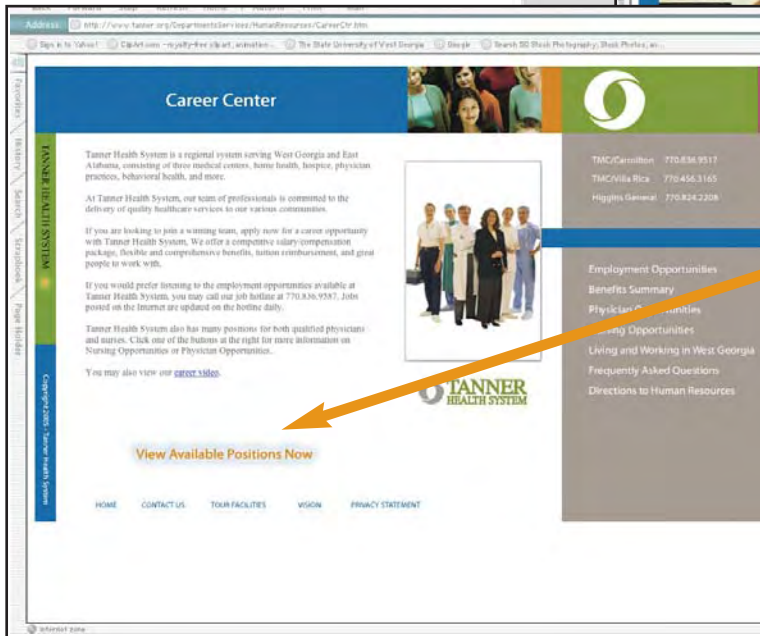

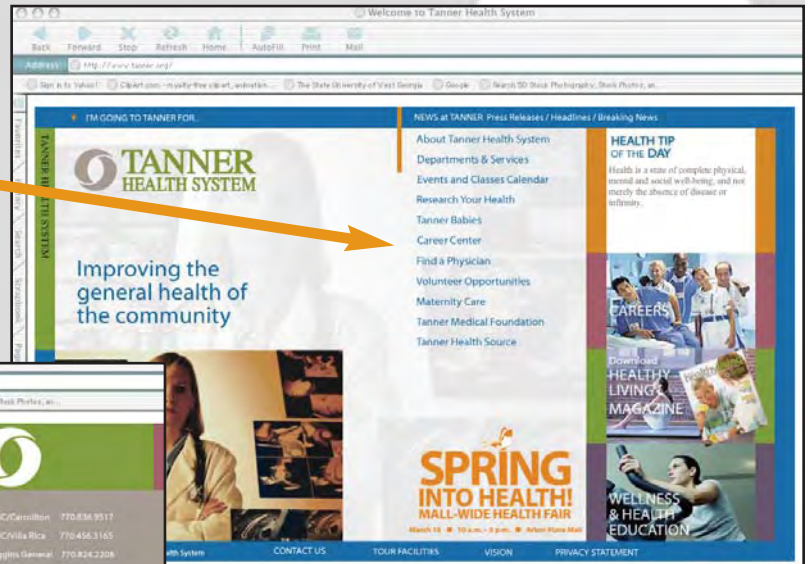

Tanner Health System has more than 170 exceptional physicians and 1,900 valued employees at its three hospitals system-wide. These new and updated facili-

ties feature technologically advanced services such as our new PET/CT scanner for diagnosing cancer and the bedside medication verification system for reducing human errors when dispensing medicine. Plans are underway for the expansion of cardiac services so all cardiac procedures will be housed under one roof for the best in care for heart patients.
