RE: Closure of Wedowee Hospital; Opening of Tanner Medical Center – East Alabama

Dear Ms. Norman:

I am writing to notify you that as of 8:15 A.M. today, November 14, 2017, Wedowee Hospital, a general acute care hospital licensed by the Alabama State Board of Health and located at 209 N. Main Street, Wedowee, Alabama, 36278, has closed. At 7:15 A.M. today Tanner Medical Center – East Alabama, a general acute care hospital licensed by ADPH, opened for operation to replace Wedowee Hospital. As you know, the Alabama State Board of Health issued a hospital license to Tanner Medical Center – East Alabama with an effective date of today, November 14, 2017.

Thank you for your guidance and assistance with our efforts to commence operations at Tanner Medical Center – East Alabama. If there is any more information you need regarding the closure of Wedowee Hospital or the opening of Tanner Medical Center – East Alabama, please let me know.

Sincerely,

Jerry Morris
Administrator
Wedowee Hospital
Tanner Medical Center – East Alabama
