## PRODUCT REFERENCE GUIDE

## GENTLE HYDRA-CLEANSE WITH HYALURONIC ACID

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL / SENSITIVE / ROSACEA / POST-OP

**pH:** 5.89

**PRODUCT DESCRIPTION:** *This sulfate-free, daily micro-foaming cleanser thoroughly cleanses the skin to gently remove surface impurities and soothe redness without stripping the skin of essential oils. Gentle enough for the most sensitive and post-procedure skin, this formula combines the nutritive benefits of soothing Cucumber Extract, healing Calendula Extract and deeply hydrating Hyaluronic Acid to rebalance and calm the skin, leaving it remarkably moist and supple. Added Vitamin B5 promotes the formation of new, healthy skin cells to aid in skin repair while also providing anti-inflammatory benefits. Excellent for all skin types.*

**CLIENT USE:** *Moisten skin with lukewarm water. Lather cleanser in hands and massage into skin. Rinse thoroughly.*

**PROFESSIONAL USE:** *Moisten skin with sponges and apply a small amount of cleanser to skin. Massage in gentle, circular motions, gradually adding more water. Remove thoroughly with warm, moist sponges.*

**PRODUCT INGREDIENTS:** *Water/Aqua/Eau, Sodium Cocoyl Isethionate, Cocamidopropyl Hydroxysultaine, Cocamidopropyl Betaine, Sodium Methyl Cocoyl Taurate, PEG-7 Glyceryl Cocoate, Acrylates Copolymer, Glycol Distearate, Disodium EDTA, Sodium Hyaluronate, Tocopheryl Acetate, Panthenol, Cucumis Sativus (Cucumber) Fruit Extract, Calendula Officinalis (Calendula) Flower Extract, Simmondsia Chinensis (Jojoba) Seed Oil, Sodium Lauroyl Sarcosinate, Guar Hydroxypropyltrimonium Chloride, Citric Acid, Methylisothiazolinone, Dimethicone, Phenoxyethanol.*

### **HIGHLIGHT INGREDIENTS:**

**Sodium Hyaluronate (Hyaluronic Acid):** *Special combination of high- and low-weight hyaluronic acids that expand once in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times its weight in water, when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.*

**Tocopheryl Acetate (Vitamin E):** *A powerful, lipid-soluble antioxidant superstar that protects the epidermis from UV radiation and damage, prevents cell membrane peroxidation, while reducing transepidermal water loss which leads to improved skin barrier function.*

**Panthenol (Vitamin B5):** *An excellent humectant that adds intensive hydration to the skin. Known to enhance the*

*formation of new skin cells while providing healing and anti-inflammatory benefits.*

***Cucumis Sativus (Cucumber) Fruit Extract:** A plant antioxidant with skin soothing and moisture binding properties.*

***Calendula Officinalis (Calendula) Flower Extract:** A plant antioxidant with powerful anti-inflammatory and healing properties that also assists in strengthening skin capillaries to reduce redness and inflammation.*

***Simmondsia Chinensis (Jojoba) Seed Oil:** Natural plant emollient that moisturizes and softens the skin while providing excellent transepidermal respiration and moisture control.*

## RADIANCE AGE-DEFYING CLEANSER

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL (except Sensitive) / ANTI-AGING / MATURE/ HYPERPIGMENTATION

**PRODUCT DESCRIPTION:** This sulfate-free, foaming daily anti-aging cleanser delivers powerful antioxidants to the skin to protect and repair, while gentle alpha hydroxy acids hydrate, exfoliate and smooth away uneven texture caused by intrinsic aging. Catechin-rich Green Tea & White Tea Extracts help fortify skin's cellular matrix, defending against free radical damage and helping to prevent collagen breakdown. Lactic Acid works synergistically with these antioxidants and other humectants to increase dermal glycosaminoglycan content and normalize hyperkeratinization, exfoliating away dead skin cells that contribute to uneven skin texture and a dull complexion. An essential component to any anti-aging regimen, this cleanser will help nourish, repair and prep skin for the delivery and optimal penetration of companion anti-aging products.

**CLIENT USE:** Moisten skin with lukewarm water. Lather cleanser in hands and massage into skin. Use caution around eye area to avoid irritation. Rinse thoroughly.

**PROFESSIONAL USE:** Moisten skin with sponges and apply a small amount of cleanser to skin. Massage in gentle, circular motions, gradually adding more water. Use caution around eye area as may cause irritation. Remove thoroughly with warm, moist sponges.

**PRODUCT INGREDIENTS:** Water/Aqua/Eau, Sodium Cocoyl Isethionate, Decyl Glucoside, Glycerin, Sodium Lauroyl Sarcosinate, Cocamidopropyl Betaine, Coco-Glucoside, Glyceryl Oleate, Acrylates Copolymer, Lactic Acid, Camellia Sinensis (Green Tea) Leaf Extract, Camellia Sinensis (White Tea) Leaf Extract, Panthenol, Disodium EDTA, Propanediol, Guar Hydroxypropyltrimonium Chloride, Glycol Distearate, Citric Acid, Methylisothiazolinone, Phenoxyethanol, Fragrance/Parfum.

**pH:** 5.58

### HIGHLIGHT INGREDIENTS:

**Lactic Acid:** An alpha-hydroxy acid that gently exfoliates away dead skin cells, helping to normalize hyperkeratinization, increase epidermal thickness and dermal glycosaminoglycan content, for visibly smoother and more radiant skin.

**Camellia Sinensis (Green Tea) Leaf Extract:** A potent antioxidant with powerful anti-inflammatory benefits that helps prevent collagen breakdown and reduce UV damage.

**Camellia Sinensis (White Tea) Leaf Extract:** A potent antioxidant with powerful anti-inflammatory benefits that

*helps prevent collagen breakdown and reduce UV damage.*

***Panthenol (Vitamin B5):** An excellent humectant that adds intensive hydration to the skin. Known to enhance the formation of new skin cells while providing healing and anti-inflammatory benefits.*

## BOTANICAL BALANCE TONER

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL / DEHYDRATED / OILY / ACNE-PRONE

**PRODUCT DESCRIPTION:** This superior, oil-free moisturizing toner offers intense hydration, nourishment and protection for any and all skin types. Rich in Vitamin C and water-binding humectants like Hyaluronic Acid and Vitamin B5, this complex combines the phyto-actives of potent botanical extracts like Sea Kelp, Cucumber, Sage, Rosemary, Orange, Chamomile, Allantoin and Aloe, to soothe, heal and rejuvenate the skin while providing anti-inflammatory, antioxidant and antibacterial benefits. Can be used any time of day for an added skin hydration boost, or as a moisturizer for oily or acneic skin types who find a regular moisturizing cream too heavy.

**CLIENT USE:** Mist onto hand and press into the skin after cleansing, or apply with cotton pad any time moisture is needed.

**PROFESSIONAL USE:** After cleansing and/or masking, mist on the skin or apply with cotton pad to add hydration.

**PRODUCT INGREDIENTS:** Water/Aqua/Eau, Hamamelis Virginiana (Witch Hazel) Leaf Water, Alcohol, PEG-6 Capric/Caprylic Triglycerides, PEG-7 Glyceryl Cocoate, Sodium Hyaluronate, Panthenol, Aloe Barbadensis (Aloe) Leaf Juice, Ascorbyl Glucoside, Citrus Aurantium Dulcis (Orange) Peel Oil, Sodium PCA, Allantoin, Glycerin, Rosmarinus Officinalis (Rosemary) Leaf Extract, Chamomilla Recutita (Matricaria) Flower Extract and Glycerin, Salvia Officinalis (Sage) Leaf Extract, Rosmarinus Officinalis (Rosemary) Oil, Cucumis Sativus (Cucumber) Fruit Extract, Macrocystis Pyrifera (Kelp) Extract, Equisetum Hiemale (Horsetail) Extract, Citric Acid, Phenoxyethanol, Methylisothiazolinone.

**pH:** 5.60

### HIGHLIGHT INGREDIENTS:

**Panthenol (Vitamin B5):** An excellent humectant that adds intensive hydration to the skin. Known to enhance the formation of new skin cells while providing healing and anti-inflammatory benefits.

**Allantoin:** Plant extract, derived from comfrey leaves, that has anti-inflammatory, anti-irritant and soothing properties.

**Sodium Hyaluronate (Hyaluronic Acid):** Special combination of high- and low-weight hyaluronic acids that expand once in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times it's weight in water; when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.

***Aloe Barbadensis Leaf Juice:*** Wonderful water-binding agent for the skin due to its polysaccharide and sterol content. Penetrates the skin to supply moisture directly to the tissues for hydration boost. Also shown to have anti-inflammatory, antioxidant and antibacterial properties.

***Ascorbyl Glucoside:*** An incredibly stable form of water-soluble Vitamin C that exhibits high antioxidant activity, aids in the synthesis of collagen while inhibiting the formation of melanin and effectively protect and repairs the skin from free radical damage.

***Citrus Aurantium Dulcis (Orange) Peel Oil:*** Concentration of Vitamin C work as an antioxidant to protect and repair skin from UV radiation while bringing astringent and anti-inflammatory properties. Also increases circulation and cell hydration.

***Witch Hazel Leaf Water:*** A natural antioxidant and anti-inflammatory agent that helps treat acne and blemishes with its astringent properties while being extremely gentle and non-drying to the skin.

***Rosmarinus Officinalis (Rosemary) Leaf Extract & Oil:*** Wonderful skin antioxidant that helps stimulate circulation and promotes a more even skin tone. Also has anti-inflammatory and antimicrobial properties.

***Chamomilla Recutita (Matricaria/German Chamomile) Flower Extract:*** Chamomile extract that is used to calm and soothe the skin while adding antioxidant and anti-inflammatory properties.

***Salvia Officinalis (Sage) Extract:*** Antioxidant that helps rejuvenate and tone the skin.

***Cucumis Sativus (Cucumber) Fruit Extract:*** A plant antioxidant with skin soothing and moisture binding properties.

***Equisetum Hiemale (Horsetail) Extract:*** Firms and refreshes the skin while promoting healing. Rich in minerals that help rebuild tissue while possessing antibacterial and anti-inflammatory properties.

***Macrocystis Pyrifera (Kelp) Extract:*** Extract of giant brown seaweed that is rich in vitamins and minerals that help heal sun damage and prevent fine lines and wrinkles.

## EYE RESCUE COLLAGEN BUILDER

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL/ ANTI-AGING

**PRODUCT DESCRIPTION:** *This rich, yet light-weight eye treatment hydrates and soothes the delicate eye area, while diminishing the look of dark circles, puffiness, fatigue and fine lines. Proven peptides, including and combine to effectively treat these symptoms. Rich Shea Butter and Hyaluronic Acid provide deep and long-lasting hydration. Additional antioxidants help protect skin from free radical damage, while encouraging collagen reproduction for an eye area that looks brighter and more rested.*

**CLIENT USE:** *Pat gently around eye from outer to inner corner of eye. Allow several minutes for absorption if applying under make-up.*

**PROFESSIONAL USE:** *Pat gently around the eye contour area as a finishing product along with appropriate moisturizer.*

**PRODUCT INGREDIENTS:** *Water/Aqua/Eau, Dicaprylyl Carbonate, Isostearyl Neopentanoate, Cetearyl Alcohol, Propanediol, Polysorbate 60, Butyrospermum Parkii (Shea Butter), Cetyl Alcohol, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Acetyl Tetrapeptide-5, Tripeptide-10 Citrulline, Tripeptide-1, Pseudoalteromonas Ferment Extract, Hydrolyzed Wheat Protein, Hydrolyzed Soy Protein, Sodium Hyaluronate, Ascorbyl Palmitate, Phospholipids, Aloe Barbadensis Leaf Juice, Retinyl Palmitate, Allantoin, Tocopheryl Acetate, Lecithin, Dimethicone, Xanthan Gum, Ethylhexylglycerin, Hexylene Glycol, Caprylyl Glycol, Glycerin, Glyceryl Stearate, PEG-100 Stearate, Carbomer, Triethanolamine, Butylene Glycol, Caprylyl Glycol, Disodium EDTA, Phenoxyethanol.*

**pH:** 5.5 - 6.5

### **HIGHLIGHT INGREDIENTS:**

**Dipeptide Diaminobutyroyl Benzylamide Diacetate:** *A neuropeptide that works on expressed muscle contraction by blocking the body's uptake of Na<sup>+</sup> for smoother skin that has a reduction of fine lines and wrinkles. Mimics the activity of Waglerin 1, a polypeptide that is found in the venom of the Temple Viper snake.*

**Tripeptide-10 Citrulline:** *Peptide that boosts and regulates collagen fibers by mimicking the decorin in our skin that declines with age.*

**Tripeptide-1:** *Peptide that mimics the relationship of the growth factors involved in the synthesis of collagen and in the healing process. Specifically it stimulates Collagen I and III, fibronectin and laminin to boost skin function, stimulate skin cells, produce more collagen and repair cell communication.*

***Pseudoalteromonas Ferment Extract:*** A peptide that regenerates, repairs and protects the skin by retaining moisture, healing wounds, increasing collagen and elastin production and improving hydration for healthier, younger looking skin.

***Hydrolyzed Wheat Protein:*** Protein derived from wheat that helps skin retain water and moisture while minimizing fine lines and wrinkles caused from UV radiation.

***Hydrolyzed Soy Protein:*** Protein derived from soy that contains high levels of isoflavones, which help to protect skin against hormone-related aging, bringing back radiant skin.

***Ascorbyl Palmitate:*** A stable, lipid-soluble form of Vitamin C that works as a powerful antioxidant to protect the skin from free radical damage while encouraging collagen production.

***Retinyl Palmitate:*** Form of Vitamin A that is one of the primary antioxidants found naturally in the skin that aids in skin maintenance and repair, exfoliates and helps moisturize the skin.

***Phospholipids:*** Structural component of cell membrane responsible for signaling molecules with hydrophilic head and hydrophobic tail to attract water and retain it, effectively hydrating and moisturizing the skin, known as a “second skin”. Also acts as an antioxidant.

***Tocopheryl Acetate (Vitamin E):*** A powerful, lipid-soluble antioxidant superstar that protects the epidermis for UV radiation and damage, prevents cell membrane peroxidation, while reducing transepidermal water loss which leads to improved skin barrier function.

***Sodium Hyaluronate (Hyaluronic Acid):*** Special combination of high- and low-weight hyaluronic acids that expand once in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times its weight in water, when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.

***Aloe Barbadensis Leaf Juice:*** Wonderful water-binding agent for the skin due to its polysaccharide and sterol content. Penetrates the skin to supply moisture directly to the tissues for hydration boost. Also shown to have anti-inflammatory, antioxidant and antibacterial properties.

***Allantoin:*** Plant extract, derived from comfrey leaves, that has anti-inflammatory, anti-irritant and soothing properties.

***Lecithin:*** A skin softening and soothing emollient that deeply moisturizes the skin. It has the ability to deeply penetrate the skin to carry substances directly to the cells and assist the skin in absorbing other properties as well.

***Butyrospermum Parkii (Shea Butter):** High in triglycerides and fatty acids, this superior emollient revitalizes and repairs skin by promoting cell regeneration, circulation and wound healing.*

## REJUVENATING EXFOLIATOR\*

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** DRY / NORMAL / COMBINATION / OILY

**PRODUCT DESCRIPTION:** *This ultra-luxurious facial polish gently sweeps away dead skin cells and debris while infusing skin with essential antioxidants and vitamins to reveal a brighter, smoother and more radiant complexion. Sustainable Bamboo Stem Micro-Crystals and Pumice mechanically buff away uneven cellular surface buildup while Apple, Lemon and Sugar Cane Extracts provide natural alpha hydroxy acid exfoliation. Powerful antioxidants, including Green Tea and Vitamins C & E pair with moisturizing phospholipids and natural oils to round out this superstar formula to reveal healthier, glowing skin.*

**CLIENT USE:** *Apply a dime-sized amount to a clean, damp face, neck and décolleté and massage gently in circular motions, adding additional water as needed. Do not rub harshly. Rinse well. For best results, use once a week.*

**PROFESSIONAL USE:** *Apply a dime-sized amount to a clean, damp face, neck and décolleté and massage gently in circular motions, adding additional water as needed. Do not rub harshly and avoid eye area. Remove thoroughly with damp sponges.*

*\*This product is contraindicated for people with grade III & IV acne, active rosacea, inflamed skin, eczema & dermatitis, open lesions or autoimmune disorders. Wait 3-4 weeks to use following chemical peels and/or facial fillers.*

**PRODUCT INGREDIENTS:** *Water/Aqua/Eau, Glycine Soja (Soybean) Oil, Pumice, Glycerin, Cetearyl Alcohol, Isopropyl Palmitate, Glyceryl Stearate, Bambusa Arundinacea Stem Powder, PEG-100 Stearate, Dimethicone, Stearic Acid, Saccharum Officinarum (Sugar Cane) Extract, Pyrus Malus (Apple) Extract, Citrus Medica Limonum (Lemon) Extract, Citrus Aurantium Dulcis (Orange) Extract, Camellia Sinensis (Green Tea) Leaf Extract, Tocopheryl Acetate, Retinyl Palmitate, Ascorbyl Palmitate, Aloe Barbadensis Leaf Juice, Phospholipids, Helianthus Annuus (Sunflower) Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Sodium Hydroxymethylglycinate, Carbomer, Disodium EDTA, Phenoxyethanol, Fragrance/Parfum.*

**pH:** 5.0 - 6.0

### HIGHLIGHT INGREDIENTS:

**Bambusa Arundinacea Stem Powder:** *Sustainable purifying powder that sweeps away dead skin cells and clarifies the skin.*

**Pumice:** *Natural volcanic ash to deep clean, polish and exfoliate the skin.*

**Sodium Hyaluronate (Hyaluronic Acid):** *Special combination of high- and low-weight hyaluronic acids that expand once*

*in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times its weight in water, when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.*

***Saccharum Officinarum (Sugar Cane) Extract:*** *Natural source of glycolic acid that helps exfoliate the skin by removing dead skin cells, dirt and oil while decreasing pore size and encourage new cell turnover.*

***Pyrus Malus (Apple) Extract:*** *Rich source of vitamins, trace elements and amino acids, this natural exfoliator helps reduce skin inflammation while removing dead skin fragments.*

***Citrus Aurantium Dulcis (Orange) Fruit Extract:*** *Concentration of Vitamin C work as an antioxidant to protect and repair skin from UV radiation while bringing astringent and anti-inflammatory properties.*

***Citrus Medica Limonum (Lemon) Extract:*** *A natural antioxidant and skin brightener rich in fruit acids and Vitamin C that gently exfoliate the skin and even overall skin tone and health.*

***Camellia Sinensis (Green Tea) Leaf Extract:*** *A potent antioxidant with powerful anti-inflammatory benefits that helps prevent collagen breakdown and reduce UV damage.*

***Phospholipids:*** *Structural component of cell membrane responsible for signaling molecules with hydrophilic head and hydrophobic tail to attract water and retain it, effectively hydrating and moisturizing the skin, known as a "second skin". Also acts as an antioxidant.*

***Tocopheryl Acetate (Vitamin E):*** *A powerful, lipid-soluble antioxidant superstar that protects the epidermis for UV radiation and damage, prevents cell membrane peroxidation, while reducing transepidermal water loss which leads to improved skin barrier function.*

***Retinyl Palmitate:*** *Form of Vitamin A that is one of the primary antioxidants found naturally in the skin that aids in skin maintenance and repair, exfoliates and helps moisturize the skin.*

***Ascorbyl Palmitate:*** *A stable, lipid-soluble form of Vitamin C that works as a powerful antioxidant to protect the skin from free radical damage while encouraging collagen production.*

***Simmondsia Chinensis (Jojoba) Seed Oil:*** *Natural plant emollient that moisturizes and softens the skin while providing excellent transepidermal respiration and moisture control.*

***Aloe Barbadensis Leaf Juice:*** *Wonderful water-binding agent for the skin due to its polysaccharide and sterol content. Penetrates the skin to supply moisture directly to the tissues for hydration boost. Also shown to have anti-inflammatory, antioxidant and antibacterial properties.*

## LUMINESCENCE PIGMENT CORRECTION SERUM

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL / ANTI-AGING / HYPERPIGMENTATION

***Product Description:** The ultimate combatant to uneven skin tone, this potent hydroquinone-free formula prevents and corrects skin discoloration caused by UV damage and sun exposure, post-inflammatory hyperpigmentation and melasma. While other lightening treatments can be inflaming and drying, this unique blend of potent lighteners and brighteners, including Arbutin, Licorice, Azelaic Acid, Ascorbyl Glucoside, Tetrahydrodiferuloylmethane, Dipotassium Glycyrrhizinate, and multiple forms of Vitamin C, inhibit and regulate melanin formation to normalize and correct pigment production, effectively evening skin tone. Special exfoliators, Multifruit BSC Extract & Lactic Acid, help speed up skin cell production and renewal for quicker and long-lasting results. Rounding out this formula are antioxidants Rutin, CoQ10, Resveratrol, Ferulic Acid, Emblica and Green Tea Extract, to add further cell protection, neutralizing new damage as it is incurred.*

***CLIENT USE:** After cleansing and toning, apply a drop of serum to forehead, chin and cheeks and massage in gently, concentrating on areas of pigmentation. Follow with moisturizer or treatment product and sunscreen.*

***PROFESSIONAL USE:** Before applying finishing product or mask, massage a small amount of serum into face or areas of pigmentation.*

***PRODUCT INGREDIENTS:** Water/Aqua/Eau, Glycerin, Hamamelis Virginiana (Witch Hazel) Distillate, Niacinamide, Xanthan Gum, Lactic Acid, Sodium Hyaluronate, Arbutin, Ascorbyl Glucoside, Glycyrrhiza Glabra (Licorice) Extract, Azelaic Acid, Vaccinium Myrtillus (Bilberry) Extract, Phyllanthus Emblica (Emblica) Fruit Extract, Ferulic Acid, Tetrahydrodiferuloylmethane, Dipotassium Glycyrrhizinate, Saccharum Officinarum (Sugar Cane) Extract, Acer Saccharinum (Sugar Maple) Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Citrus Medica Limonum (Lemon) Extract, Beta Carotene, Ascorbyl Palmitate, Tocopheryl Acetate, Rutin, Ubiquinone, Resveratrol, Camellia Sinensis (Green Tea) Leaf Extract, Linolenic Acid, Linoleic Acid, Lecithin, Maltodextrin, Benzyl Alcohol, Phenoxyethanol, Alcohol, Ethylhexylglycerin.*

***pH:** 3.65*

***HIGHLIGHT INGREDIENTS:***

***Arbutin:** A hydroquinone-derivative that lightens and whitens the skin by inhibiting the formation of melanin in the skin while protecting the skin against damage caused by free radicals.*

***Azelaic Acid:** A powerful antioxidant and skin lightener. Reduces the skin's melanin production by inhibiting tyrosinase and suppressing the proliferation of abnormal melanin producing cells. Because of its anti-inflammatory properties, it also helps to fade red marks and discolorations resulting from post-inflammatory hyperpigmentation.*

***Lactic Acid:** An alpha-hydroxy acid that gently exfoliates away dead skin cells, helping to normalize hyperkeratinization,*

*increase epidermal thickness and dermal glycosaminoglycan content, for visibly smoother and more radiant skin.*

**Multifruit ® BSC Extract:** *(see below) A synergistic blend of lactic, glycolic, citric, malic and tartaric fruit acids that help renew and regenerate skin cells while firming, exfoliating and soothing the skin.*

**Vaccinium Myrtillus (Bilberry) Extract:** *Contains anthocyanosides and Vitamin C that help skin fight hyperpigmentation while it's strong antioxidant properties help prevent and reverse damaged cells caused by free radical damage.*

**Saccharum Officinarum (Sugar Cane) Extract:** *Natural source of glycolic acid that helps exfoliate the skin by removing dead skin cells, dirt and oil while decreasing pore size and encourage new cell turnover.*

**Acer Saccharinum (Sugar Maple) Extract:** *Functions as a natural alpha hydroxy acid to minimize and repair cell damage caused by free radical damage.*

**Citrus Aurantium Dulcis (Orange) Fruit Extract:** *Concentration of Vitamin C work as an antioxidant to protect and repair skin from UV radiation while bringing astringent and anti-inflammatory properties.*

**Citrus Medica Limonum (Lemon) Extract:** *A natural antioxidant and skin brightener rich in fruit acids and Vitamin C that gently exfoliate the skin and even overall skin tone and health.*

**Glycyrrhiza Glabra (Licorice) Extract:** *Potent plant extract helps inhibit tyrosinase activity to improve skin discoloration and hyperpigmentation , effectively evening skin tone for a brighter complexion. Also functions as an anti-inflammatory and anti-irritant to help reduce the redness and irritation associated with various ailments like rosacea, psoriasis and acne.*

**Ascorbyl Glucoside:** *An incredibly stable form of water-soluble Vitamin C that exhibits high antioxidant activity, aids in the synthesis of collagen while inhibiting the formation of melanin and effectively protect and repairs the skin from free radical damage.*

**Ascorbyl Palmitate:** *A stable, lipid-soluble form of Vitamin C that works as a powerful antioxidant to protect the skin from free radical damage while encouraging collagen production.*

**Ferulic Acid:** *A plant-based antioxidant with sun protective benefits. It enhances the stability of vitamin E, is shown to have anti-inflammatory effects, and most importantly, helps inhibit UV-induced melanogenesis (pigmentation caused by the sun).*

**Tetrahydrodiferuloylmethane:** *Skin lightening ingredient and potent antioxidant derived from turmeric that inhibits tyrosinase, blocking the synthesis of melanin in the skin.*

**Dipotassium Glycyrrhizinate:** *Also known as licorice root, this potent plant extract helps inhibit tyrosinase activity to improve skin discoloration and hyperpigmentation , effectively evening skin tone for a brighter complexion. Also functions as an anti-inflammatory and anti-irritant to help reduce the redness and irritation associated with various ailments like rosacea, psoriasis and acne.*

**Phyllanthus Emblica (Emblica) Fruit Extract:** A natural antioxidant and anti-inflammatory that naturally brightens the skin, inhibits melanin production to even out skin tone and defy the effects of aging.

**Sodium Hyaluronate (Hyaluronic Acid):** Special combination of high- and low-weight hyaluronic acids that expand once in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times its weight in water, when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.

**Niacinamide (Vitamin B3):** A potent cell-communicating ingredient that helps improve skin's elasticity, enhances barrier function, and treats uneven skin tone by addressing red marks and post-inflammatory hyperpigmentation.

**Rutin:** Bioflavonoid that functions as a strong antioxidant to stabilize free radical damage. Works synergistically with Vitamin C to help stabilize it while intensifying its activity. Also works in the skin to reduce inflammation and help strengthen capillaries.

**Ubiquinone (CoQ10):** Lipid-soluble antioxidant responsible for cell protection, stimulating healthy collagen production, reducing UV damage, and reducing the appearance of wrinkles.

**Resveratrol:** Natural component found in grapes increases the lifespan of skin cells, strengthens and firms the dermis to improve wrinkle and fine line depth, has significant anti-inflammatory properties, while activating cellular renewal to repair damage caused by aging and environmental factors.

**Camellia Sinensis (Green Tea) Leaf Extract:** A potent antioxidant with powerful anti-inflammatory benefits that helps prevent collagen breakdown and reduce UV damage.

**Beta Carotene:** Wonderful antioxidant that helps protect skin from free radical damage with helping to reduce effects of sun damage.

**Hamamelis Virginiana (Witch Hazel) Extract:** A natural antioxidant and anti-inflammatory agent that helps treat acne and blemishes with its astringent properties while being extremely gentle and non-drying to the skin.

**Linolenic Acid:** Fatty acid that replenishes the skin's intercellular matrix while functioning as a cell-communicator to instruct skin cells how to properly function while helping to reduce inflammation.

**Linoleic Acid:** A natural NMF and essential fatty acid, linoleic acid can penetrate the skin's barrier to help bring other ingredients further into the skin while helping to repair any compromised areas in the barrier. Also functions as antioxidant, anti-inflammatory and healing support to soften the skin and keep it supple and youthful.

**Tocopheryl Acetate (Vitamin E):** A powerful, lipid-soluble antioxidant superstar that protects the epidermis for UV radiation and damage, prevents cell membrane peroxidation, while reducing transepidermal water loss which leads to improved skin

*barrier function.*

***Lecithin:*** *A skin softening and soothing emollient that deeply moisturizes the skin. It has the ability to deeply penetrate the skin to carry substances directly to the cells and assist the skin in absorbing other properties as well.*

***Sodium Hyaluronate (Hyaluronic Acid):*** *Special combination of high- and low-weight hyaluronic acids that expand once in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times its weight in water, when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.*

## ALL-IN-ONE HYDRATION

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL / DEHYDRATED

**PRODUCT DESCRIPTION:** *This lightweight, total hydration moisturizer for all skin types has been formulated with multifunctional ingredients to nourish, protect and deeply hydrate the skin while improving the appearance of skin tone, texture and vibrancy. Essential antioxidants Emblica, Vitamin E, and defense-activating Ergothioneine, give daily protection from UV radiation while helping to repair free radical damage and collagen breakdown in the skin. Water-binding Hyaluronic Acid and Vitamin B5 provide optimal epidermal hydration to help restore and maintain moisture all day long. This advanced moisturizer is the perfect solution for anyone looking to improve skin hydration, suppleness and appearance, while providing essential daily antioxidant protection.*

**CLIENT USE:** *After cleansing, toning, and the application of any serum(s), apply a small amount of cream to skin and massage in gently.*

**PROFESSIONAL USE:** *Apply cream as a finishing product to face and neck and massage in gently with fingertips.*

**PRODUCT INGREDIENTS:** *Water/Aqua/Eau, Caprylic/Capric Triglycerides, Dicaprylyl Carbonate, Glycerin, Glyceryl Stearate, PEG-100 Stearate, Dimethicone, Cetyl Alcohol, Saccharide Isomerate, Adipic Acid/Neopentyl Glycol Crosspolymer, Sodium Hyaluronate, Ergothioneine, Camellia Sinensis (Green Tea) Leaf Extract, Maltodextrin, Phyllanthus Emblica (Emblica) Fruit Extract, Ferulic Acid, Tetrahydrodiferuloylmethane, Dipotassium Glycyrrhizinate, Panthenol, Tocopheryl Acetate, Polysorbate 60, Carbomer, Amodimethicone, Hydroxypropyl Methylcellulose, VP/VA Copolymer, Sodium Hydroxide, Methylisothiazolinone, Phenoxyethanol, Propanediol, Ethylhexylglycerin.*

**pH:** 5.70

### **HIGHLIGHT INGREDIENTS:**

**Ergothioneine:** *A potent, defense-activating antioxidant that helps protect mitochondrial membrane & cell DNA against oxidative stress.*

**Phyllanthus Emblica (Emblica) Fruit Extract:** *A natural antioxidant and anti-inflammatory that naturally brightens the skin, inhibits melanin production to even out skin tone and defy the effects of aging.*

**Sodium Hyaluronate (Hyaluronic Acid):** *Special combination of high- and low-weight hyaluronic acids that expand once in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times its weight in water, when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.*

***Camellia Sinensis (Green Tea) Leaf Extract:*** A potent antioxidant with powerful anti-inflammatory benefits that helps prevent collagen breakdown and reduce UV damage.

***Ferulic Acid:*** A plant-based antioxidant with sun protective benefits. It enhances the stability of vitamin E, is shown to have anti-inflammatory effects, and most importantly, helps inhibit UV-induced melanogenesis (pigmentation caused by the sun).

***Tetrahydrodiferuloylmethane:*** Skin lightening ingredient and potent antioxidant derived from turmeric that inhibits tyrosinase, blocking the synthesis of melanin in the skin.

***Dipotassium Glycyrrhizinate:*** Also known as licorice root, this potent plant extract helps inhibit tyrosinase activity to improve skin discoloration and hyperpigmentation, effectively evening skin tone for a brighter complexion. Also functions as an anti-inflammatory and anti-irritant to help reduce the redness and irritation associated with various ailments like rosacea, psoriasis and acne.

***Tocopheryl Acetate (Vitamin E):*** A powerful, lipid-soluble antioxidant superstar that protects the epidermis for UV radiation and damage, prevents cell membrane peroxidation, while reducing transepidermal water loss which leads to improved skin barrier function.

***Saccharide Isomerate:*** Powerful water-binding agent and emollient that binds to the free amino groups of lysine in the keratin of the stratum corneum providing long-lasting moisturization.

***Panthenol (Vitamin B5):*** An excellent humectant that adds intensive hydration to the skin. Known to enhance the formation of new skin cells while providing healing and anti-inflammatory benefits.

## RESURFACING RETINOL CREAM

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL / ANTI-AGING / MATURE / HYPERPIGMENTATION

**PRODUCT DESCRIPTION:** This advanced, nightly Retinol cream dramatically resurfaces the skin for a silky smooth and more even complexion. Infused with 0.5% active Retinol, this treatment refines uneven skin texture and tone by removing excess dead skin cells and increasing cellular turnover. The stimulation of this deep cellular renewal increases stagnant collagen production, kickstarting synthesis, resulting in the improved appearance of fine lines and wrinkles. This increase in cellular turnover will also expedite results from companion anti-aging and lightening products. An added complex of natural botanicals and intensely-moisturizing Vitamin B5, work collectively to soothe and hydrate, resulting in supple, renewed skin without the common irritation normally associated with retinoids.

**CLIENT USE:** After cleansing, toning, and the application of any serum(s), apply a small amount of cream to face and neck, and massage in gently. Use caution when combining with exfoliating products or procedures, as this may increase sensitivity. Not recommended for use immediately following exfoliation treatments. Avoid eye area and direct contact with eyes and mucous membranes. If irritation develops, discontinue use and consult your skincare specialist. Use sunscreen daily.

**PROFESSIONAL USE:** Apply cream as a finishing product to face and neck and massage in gently with fingertips. Follow with sunscreen.

**PRODUCT INGREDIENTS:** Water/Aqua/Eau, Cyclopentasiloxane, Caprylic/Capric Triglycerides, Myristyl Alcohol, Isopropyl Palmitate, Cetearyl Alcohol, Butyrospermum Parkii (Shea Butter), Polysorbate 60, Persea Gratissima (Avocado) Oil, Dimethicone, Retinol, Tocopheryl Acetate, Panthenol, Glycerin, Polysorbate 20, Cucumis Sativus (Cucumber) Fruit Extract, Chamomilla Recutita (Matricaria) Flower Extract, Xanthan Gum, Allantoin, Ceramide NP, PEG-8, PEG-8/SMDI Copolymer, Palmitoyl Myristyl Serinate, Sodium Polyacrylate, Tetrasodium EDTA, Caprylyl Glycol, Ethylhexylglycerin, Methylisothiazolinone, Phenoxyethanol, Hexylene Glycol.

**pH:** 6.50

### HIGHLIGHT INGREDIENTS:

**Retinol:** Clinically proven to reduce collagen-degrading enzymes and stimulate the skin's collagen production. It has also been found to thicken aged skin and create better, healthier skin cells.

**Cucumis Sativus (Cucumber) Fruit Extract:** A plant antioxidant with skin soothing and moisture binding properties.

**Chamomilla Recutita (Matricaria/German Chamomile) Flower Extract:** Chamomile extract that is used to calm and soothe

*the skin while adding antioxidant and anti-inflammatory properties.*

***Panthenol (Vitamin B5):** An excellent humectant that adds intensive hydration to the skin. Known to enhance the formation of new skin cells while providing healing and anti-inflammatory benefits.*

***Butyrospermum Parkii (Shea Butter):** High in triglycerides and fatty acids, this superior emollient revitalizes and repairs skin by promoting cell regeneration, circulation and wound healing.*

***Tocopheryl Acetate (Vitamin E):** A powerful, lipid-soluble antioxidant superstar that protects the epidermis for UV radiation and damage, prevents cell membrane peroxidation, while reducing transepidermal water loss which leads to improved skin barrier function.*

***Allantoin:** Plant extract, derived from comfrey leaves, that has anti-inflammatory, anti-irritant and soothing properties.*

***Persea Gratissima (Avocado) Oil:** Rich in proteins, vitamins, amino acids and sterolins, this NMF helps heal dry skin while providing antioxidant support and reducing the appearance of age spots, scars and sun damage.*

## RECOVER - CALMING CREME

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL / SENSITIVE / ROSACEA / POST-OP

**PRODUCT DESCRIPTION:** *This delicate, highly-intensive moisturizer was formulated to soothe and protect the most sensitive of skin types, including those that are post-procedure from treatments like laser resurfacing, chemical peels and microdermabrasion, as well as sufferers of rosacea and inflamed skin. Hyaluronic Acid combines with Avocado Oil and Shea Butter to nourish, hydrate and protect the skin, while specialized peptides work to reduce facial redness, encourage healing and minimize inflammation. Calming botanicals, such as Cucumber Extract and Allantoin, add additional skin-soothing benefits to round out this exceptional formula.*

**CLIENT USE:** *After cleansing, toning, and application of any serum(s), apply a small amount of cream to skin and massage gently, concentrating on areas of inflammation or irritation.*

**PROFESSIONAL USE:** *Apply cream as a finishing product to face and neck and massage in gently with fingertips, concentrating on areas of inflammation or irritation.*

**PRODUCT INGREDIENTS:** *Water/Aqua/Eau, Cyclopentasiloxane, Caprylic/Capric Triglyceride, Cetearyl Alcohol, Myristyl Alcohol, Isopropyl Palmitate, Butyrospermum Parkii (Shea) Butter, Glycerin, Dimethicone, Persea Gratissima (Avocado) Oil, Polysorbate 60, Tocopheryl Acetate, Sodium Hyaluronate, Acetyl Tetrapeptide-40, Allantoin, Cucumis Sativus (Cucumber) Fruit Extract, Panthenol, Tetrasodium EDTA, Decylene Glycol, Caprylyl Glycol, Xanthan Gum, Hydroxyacetophenone, Phenoxyethanol.*

**pH:** 5.5 - 6.5

### **HIGHLIGHT INGREDIENTS:**

**Sodium Hyaluronate (Hyaluronic Acid):** *Special combination of high- and low-weight hyaluronic acids that expand once in the skin to provide excellent, long-lasting hydration. A glycosaminoglycan capable of binding 1,800 times its weight in water, when applied to the skin it forms a water-binding barrier allowing for increased moisture retention in the skin's intracellular matrix.*

**Acetyl Tetrapeptide-40 (Telangyn):** *A targeted peptide that decreases the appearance of facial redness caused by exaggerated immune response and inflammation.*

**Allantoin:** *Plant extract derived from comfrey leaves that has anti-inflammatory, anti-irritant and soothing properties.*

***Cucumis Sativus (Cucumber) Extract:*** Hydrating plant extract that demonstrates excellent water-binding properties and antioxidant activity while calming and soothing the skin and assisting in the reduction of under-eye puffiness. Has also been shown to have some melanogenesis suppression capabilities.

***Panthenol (Vitamin B5):*** An excellent humectant that adds intensive hydration to the skin. Known to enhance the formation of new skin cells while providing healing and anti-inflammatory benefits.

***Tocopheryl Acetate (Vitamin E):*** A powerful, lipid-soluble antioxidant superstar that protects the epidermis from UV radiation and damage, prevents cell membrane peroxidation, and reduces transepidermal water loss which leads to improved skin barrier function.

***Butyrospermum Parkii (Shea Butter):*** High in triglycerides and fatty acids, this superior emollient revitalizes and repairs skin by promoting cell regeneration, circulation and wound healing.

***Persea Gratissima (Avocado) Oil:*** Rich in proteins, vitamins, amino acids and sterolins, this NMF helps heal dry skin while providing antioxidant support and reducing the appearance of age spots, scars and sun damage.

## TINTED SPF 30 - Sunscreen - Broad Spectrum with Antioxidants

*No Parabens, Sulfates or Phthalates. Cruelty-Free, Vegan Friendly & Gluten-Free*

**SKIN TYPE:** ALL

**PRODUCT DESCRIPTION:** *A perfectly tinted SPF that blends with all skin tones. It hydrates the skin and offers a sheer hint of color for a healthy, dewy glow, and features antioxidants that act as free radical scavengers to protect the skin. This lightweight formula provides ideal protection from the sun's harmful rays with broad spectrum SPF 30 UVA/UVB. Non-comedogenic and allergy tested to minimize the risk of allergy and irritation. Perfect for all skin types, including those with sensitive skin.*

**CLIENT USE:** *Apply on sun exposed areas frequently. Re-apply if active, sweaty, or after swimming.*

**PROFESSIONAL USE:** *Apply liberally to all sun-exposed areas, until a thin film forms on the surface.*

**ACTIVE INGREDIENTS:** *Zinc Oxide 7%, Octinoxate 7.5%,*

**INACTIVE INGREDIENTS:** *Deionized Water (Aqua), Stearyl Alcohol, Glycerin, Glyceryl Stearate, PEG-100 Stearate, Glyceryl Dilaurate, Cetearyl Alcohol, Beeswax, Dimethicone, Cyclomethicone, Disopropyl Adipate, Hexylene Glycol, PEG-40 Stearate, C12-15 Alkyl Benzoate, Aluminum Starch Octenylsuccinate, PEG-20, Carnauba Wax, Dimethicone Copolyol, PVP/Eicosene Copolymer, Sorbitan Tristearate, Stearoxtrimethylsilane, Steareth-100, Laureth-7, C13-14 Isoparaffin, Phenoxyethanol, Ethylhexylglycerin, Polyacrylamide, Iron Oxide Red (CI77491), Iron Oxide Yellow (CI77492) Iron Oxide Black (CI77499)*

**pH:** 5.89

**HIGHLIGHT INGREDIENTS:**

**Beeswax:** *A naturally nourishing moisturizer as well as being anti-inflammatory, antiseptic, antibacterial, anti-allergenic and a germicidal antioxidant.*
