

*Tanny the Turtle knows that reading is fun,  
so he reads to his friends as they swim and sun.  
Soon they all want to read from their own books.  
To the library they'll go to have a look!*

**Tanner Health System's ReadER™ program** provides age-appropriate books to every child who visits one of the health system's three regional, 24-hour emergency departments. For more information or to learn how you can donate gently used books or funds to the Tanner ReadER™ program, visit [www.TannerReadER.org](http://www.TannerReadER.org).
